DOUBLES and QUINELLA

TOTALISATOR

1. A "Doubles" totalisator will operate on "this and the next" for the 1st, 2nd, 3rd, 4th, 5th, 6th and 7th Races. A "Quinella" totalisator will operate for the 7th Race.
2. Tickets will be issued in denominations of 5/- at windows designated accordingly. They will show the racebook number of the horse in the 1st leg above the racebook number of the horse in the 2nd leg.
3. In selecting a "Double" the investor must ask for the racebook number of the horse required in the 1st leg First and then the racebook number of the horse required in the 2nd leg.
4. An investor may invest in a "Double" as many times as desired. For example, if he wishes to Couple Nos. 3 and 7 more than once he should say "Nos. 3 and 7, two tickets," or whatever number of times he requires the double.
5. **FIELD BETTING—**
Certain windows will be set aside for Doubles "Field" betting. In "Field" betting an investor selects one horse in any one leg of a "Double" with ALL the runners in the other leg. For example, a horse, say No. 7, in the 1st leg, could be coupled with all the horses (the "Field") in the 2nd leg, in which case the investor would ask for "No. 7 and the Field," or the investor may desire to have all runners (the "Field") in the 1st leg coupled with a horse, say No. 5, in the 2nd leg, in which case he would ask for "the Field and No. 5." Of course, the investor's outlay is greater, being governed by the number of horses in "the Field." A "Doubles" ticket in "Field" betting can be issued just as quickly as a "Doubles" ticket for a combination of only two horses.
6. In Totalisator Doubles you are entitled to A REFUND OF YOUR STAKE in the following circumstances—
 - (a) If your FIRST horse is scratched or withdrawn regardless of whether your second horse wins or does not start.
 - (b) If your SECOND horse is scratched or withdrawn BEFORE your first horse starts, regardless of whether your first horse wins or loses.

(c) If your FIRST horse wins and your second horse is scratched or withdrawn after the running of the race in which your first horse was a starter.

NO REFUND is made if your first horse loses and your second horse is scratched or withdrawn after the running of the race in which your first horse started.

7. QUINELLA (RACE PAIRS) BETTING—

This is a form of "Doubles" betting on any one race. Unless otherwise announced, it will operate on THE LAST RACE ONLY. Where a "Quinella" operates the investor may select any two horses in the race, for example, Nos. 3 and 11, and if those horses fill the first two placings, IRRESPECTIVE OF WHETHER THEY ARE PLACED FIRST AND SECOND OR SECOND AND FIRST, the investors on Nos. 3 and 11 are entitled to collect the dividend declared on the "Quinella." "Quinella" tickets may be obtained at all "Doubles" windows.

(SEE WARNING BELOW.)

WARNING TO PATRONS OF DOUBLES and QUINELLA TOTALISATORS

It is possible that there may not be any investors on a winning combination in which event the Doubles and Quinella pools would be divided among the investors as follows:—

Where no ticket on winner of 1st "leg."	Where no ticket on winner of 2nd "leg."
1. Second and First.	1. First and Second
2. Second and Second.	2. First and Third.
3. Second and Third.	3. Second and Second.
4. Third and First.	4. Second and Third.
5. Third and Second.	5. Third and Second.
6. Third and Third.	6. Third and Third.

QUINELLA.

Investors on first and third, or second and third as the case may be.

If your selection is placed in the first leg of a double or in the Quinella.

**DO NOT DISCARD OR DESTROY YOUR TICKET
until the winning combination and dividend are posted.**
