Such ticket shall be presented intact and in no way mutilated, otherwise the decision may be given against the person mutilating such Ticket.

By Direction of The Queensland Harness Racing Board

A Bookmaker offering, calling or exhibiting the odds about a competitor (whether horse or dog) in an event, shall lay such odds when demanded by a taker but so that the bookmaker shall not be compelled in the case of bookmaker fielding at a night meeting within the area of the City of Brisbane, to lose more than \$1000 in the case of a win or each way bet or \$500 in the case of a place bet.

5.4.86

RACE 1 A warning was issued to the connections of TERAMBY TIME (M. Ilsley), which hung in in the back straight during the first lap.

RACE 2 A warning was issued to the connections of BLACK TRICK (M. Ilsley), which was back from the barrier as the start was effected.

RACE 3 It was noted that WONDAL'S MATE (D. Reinke) was held up for a run until approximately 50 metres from the finish.

RACE 4 ROUHLAWAY (B. Stainkey) galloped in the score up and was some distance from the barrier as the start was effected. It was ascertained that the horse galloped as a result of a tightening it received in the early stages of the score up. No action was taken. T. Warwick (THE MARK TWO) was reprimanded for applying undue pressure to MAGGIE MCGREGOR (P. Greig) approx. 1000 metres from the finish when endeavouring to obtain a run from the inside of that horse. THE MARK TWO galloped momentarily as a result of the incident. D. Alexander (THE SUPREME QUALITY) was fined \$180 for, when leading during the second quarter, setting an excessively slow pace. The second quarter was run in 33.9 seconds. (RULE 225).

RACE 5 D. Aitken (TOBY DUANE) was fined \$200 after being found guilty of driving in a careless manner, causing LINCOLN STORM (T. Warwick) to be tightened and checked in the front straight in the run to the finish. (RULE 368(b)).

RACE 8 UNDER SUFFERANCE (T. Robinson) lost one kneeboot and dropped the other, placing the horse at some disadvantage. The connections were instructed to race the horse with knee boot suspenders in future. It was noted that SARTORIAL ELEGANCE (J. Ilsley) was obliged to race three wide for the first 1100 metres before being restrained to the rear of the field.

9.4.86

RACE 1 LUCKY'S LAST (D. Millard) was back some distance from the barrier as a start was effected. D. Millard was fined \$50 for failing to come up into position at the start (RULE 221(g)). It was noted that SOVEREIGN CLOUD (K. Brooks) was forced to race three wide throughout running despite the efforts of its driver.

RACE 2 A warning was issued to the connections of THOR SKIPPER (K. Langlands), which was back from the barrier as a start was effected.

RACE 4 D. Alexander (MASTER BREWER) was fined \$50 for making JACKSON'S FIRST (F. Andrews) cover more ground than was necessary by carrying it out approaching the turn into the front straight during the first lap. (RULE 378). After being moved to a three wide position, in endeavouring to regain a two wide position, JACKSON'S FIRST caused interference to RETURN TRIP (K. Belford) which resulted in interference to CANDY BONARRA (R. Joseph), TIGON (R. McCall) and BALLY MOSS (W. Honan). F. Andrews, pleaded guilty to driving in a careless manner causing interference and his driver's licence was suspended for 14 days. (RULE 263). In assessing penalty, Stewards took into account mitigating circumstances.

RACE 6 A warning was issued to the connections of IMPRESARIO (P. Forbes), which was back the barrier as the start was effected.

RACE 7 Driver T. Robinson (BILL'S STUDENT) was reprimanded for taking up a position in front of CHICO D'ORO (N. Baker) when barely sufficient room to do so resulting in that horse being checked momentarily approaching the turn into the front straight during the first lap.

RACE 8 As the start was effected, TAR PEAK (B. Willis) jumped an object on the track, broke its headcheck, and was retired from the race. A warning was issued to the connections of TERAMBY TIME (M. Ilsley) which had a tendency to lug in on the turn out of the front straight during the first lap. Approaching the turn into the front straight during the final lap when racing very keenly in restricted room, TERAMBY TIME galloped. The Stewards considered this to be a racing incident with no blame attributable to any horse or driver.

Australia's favourite beer.

Foster's, one of the world's great brewers, are proud to sponsor the Foster's Golden Jubilee Inter-Dominion Pacing Championship at Albion Park.

This series is more than just another race...the Inter-Dominion represents for many people a lifetime of dreams and ambitions...the pinnacle of many careers.

Carlton & United Breweries, the manufacturers of Foster's Lager, are aware of the importance of sport in the Australian community. Carlton provides sponsorship and backing for many sports, and is proud of its association with harness racing.

In Queensland, Foster's is not only sponsoring the Foster's Golden Jubilee Inter-Dominion, but has been the inaugural sponsor of the highly-successful Foster's Sires Stakes series.

It can therefore be seen that Foster's is not only involved with proven products, such as Inter-Dominion class horses, but is also vitally involved with the development of harness racing's youth, particularly Queensland-bred youth through the Foster's Triad.

Like Foster's the Inter-Dominion itself has come a long way.

The inaugural Pacing Championship was staged at Gloucester Park in Perth in 1936, with total stakes of \$8000. The Golden Jubilee purse stands at \$356,000, with a \$200,000 final on Saturday, April 19.

The Tasmanian pacer Evicus, driven by Freeman Holmes, was named Grand Champion in 1936. The Championship in those days was decided on a points score basis, and although Evicus finished second to Logan Derby in the final, the points for placings and qualifying times placed Evicus first in the Championship.

Evicus was a six-year-old black mare. Omen punters may look this year toward the mares: Line On, Lindy's Nymph, Sheezable, Intricate or My Dianthus, perhaps to the Tasmanian-breds Lindy's Nymph or Lindy's Express, the Tasmanian-owned Karalta Gift or maybe the six-year-olds, Parading, Gosh, Panyan, Dojea Bye Bye, Thor Skipper, Borana, Toby Duane, Lincoln Storm, Welcome Frost or Game Oro.

One of the most interesting Inter-Dominion tales concerns Lawn Derby, a free-legged pacer who became the first horse outside the United States to pace a 2:00 mile.

The Inter-Dominion "won" by Lawn Derby was declared a lap short and subsequently re-run. Lawn Derby's son, Avian Derby, squared the account by winning the 1952 Championship at Harold Park in Sydney.

Some of harness racing's all-time greats have naturally enough worn the prestigious blue riband.

The likes of Hondo Grattan, Gammalite, Cardigan Bay, Captain Sandy, Caduceus, James Scott, Springfield Globe and Young Quinn have all been awarded the title of Grand Champion.

This year, who knows?

But whichever horse eventually takes the coveted title, rest assured he or she will stand proudly alongside the preceding greats.
