## POINTS SYSTEM

Points shall be awarded to each horse actually starting and finishing a race of a Qualifying Division on the basis that the winner will receive in points the equivalent of the maximum number of horses competing in each race of the Qualifying Heats. The second horse in that race of the Qualifying Heats will receive the next lowest number in points; the third horse will receive the next lowest number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field of ten (10) will receive on (1) point.

The WINNER of each race of a Qualifying Heat will receive ONE (1) BONUS POINT to be added to the points already earned for that race. Points WILL NOT be allocated for fastest time or for any other reason. A horse which is scratched from a race of the Qualifying Heats or a horse which does not complete the race, will not be allocated any points in that race unless determined by the stewards of the meeting. In the event of a scratching, or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field has competed and finished the course.

In the event of a DEAD-HEAT all points of the horses dead-heating shall be added together and divided equally.

### GENERAL

The stewards resumed their adjourned enquiry from Race 2 Heat 1 of the Inter Dominion Championship from 10/2/1990 in the manner in which driver Greg Harper used his whip on SCREAMING EAGLE on the run home. Driver Harper was reprimanded for unacceptable use of the whip under the provisions of Rule 373. Pre-race blood samples were taken from selected horses engaged in the Inter Dominion Championships.

### RACE 1: MAZDA COMBINED STAKES

Shortly after the start, RADIANT BEAU (Les Harding) which was drawn towards the outside of the front line, paced roughly and lost some ground for which a warning was issued. Early in the event, LEAD ME ON (Robert A'Court) and FLASHWOOD TRICK (Ross Sugars) were both obliged to race wide. In the run home when the early leader LAND AGENT (Lance Justice) had a tendency to move away from the rails, this ultimately resulted in inconvenience to TSAR (John Justice). MOUNT SAMSON (John Beshara) which was drawn wide on the front line, began safely; however, the gelding was obliged to race wide early in the event until it was driven forward to move to the position without cover prior to the completion of the first lap. Thereafter, MOUNT SAMSON maintained this position; however, in the back straight on the final occasion, the gelding had a tendency to shift slightly wider on the track, whilst under pressure, and eventually gave ground to finish well back. When questioned in respect to MOUNT SAMSON's disappointing performance, trainer/driver J.C. Beshara stated that as the gelding has leg problems, he is obliged to restrict its work to mainly swimming and he was of the opinion that this preparaton may not be of a suitable standard for MOUNT SAMSON. At the request of the stewards, the gelding was examined by the veterinary surgeon, who could find nothing amiss. As driver J Beshara failed to return to the stewards' room for the enquiry to continue, the matter was adjourned to a date to be fixed and, acting under Rule 329, MOUNT SAMSON will not be permitted to start until the enquiry is completed.

### RACE 2: 1990 GREAT STATE INTER DOMINION HEAT 4

RIVERLEA JACK (Brian Gath) which was drawn on the second line, was out of position during the score up for which a further warning was issued. The stewards also questioned B Gath in respect to the horse's overall performance, which after settling at the rear of the field, B Gath had elected to progress forward approaching the middle stages of the event to race without cover. However in the final lap, RIVERLEA JACK gave ground to finish back in the field. Driver B Gath stated that he was disappointed with RIVERLEA JACK's performance this evening and could offer no real explanation. In view of the circumstances, a warning was issued against the disappointing performance of RIVERLEA JACK. Driver James Stormont (BOLD SHARVID) was severely reprimanded under Rule 222(g) for failing to make sufficient effort during the early stages of the score up to have his horse maintain its position. In the back straight on the final occasion, REBA LORD (Barry Purdon) lost valuable ground when carried back through the field by the tiring RIVERLEA JACK. Following the event, at the request of the connections, WHIFLEY DREAM (Lance Justice) was examined by the veterinary surgeon who reported that the horse was lame in the off-fore leg. The veterinary surgeon recommended that WHIFLEY DREAM be withdrawn from the remainder of the Inter Dominion Series and, due to these circumstances, the stewards authorised the scratching of WHIFLEY DREAM and the horse was stood down for a period of 8 weeks. Trainer/driver L.J. Justice indicated to the stewards that WHIFLEY DREAM will be spelled immediately. TRUNKEY STING (Chris Lewis) began safely from the front line; however as the race progressed, the gelding was shuffled back through the field to ultimately race in a rearward trailing position. In the final lap despite being placed under pressure by its driver, TRUNKEY STING failed to run on and finished unplaced. A subsequent veterinary examination revealed that TRUNKEY STING was showing signs of tying up; however, the veterinary surgeon was of the opinion this was only a minor problem and the stewards therefore, directed TRUNKEY STING was to be further examined by the South Australian Harness Racing Board's official veterinary surgeon on Friday 16/2/1990 prior to the horse competing in the third series of heats. Following the event, WHITEY HERITAGE (Rod Chambers) was examined by the veterinary surgeon who reported that the mare was showing signs of over heating and that nothing major was amiss with the mare.

**RACE 3: SOUTH AUSTRALIAN TROTTERS CHAMPIONSHIP HEAT 3**  
 In the vicinity of the winning post shortly after the start, FERGYS ROCKET (Les Harding) momentarily raced roughly. A warning was issued against the gelding's unsatisfactory behaviour. MINNESOTAFATS (Bronte Giorgio) began safely from its 20 metres handicap; however, in the middle stages of the event, the gelding commences to give ground and ultimately was retired from the event. At the request of the stewards, MINNESOTA FATS was examined by the veterinary surgeon who reported that the gelding was distressed following the event and, the stewards adopted the veterinary surgeon's recommendation that the gelding not race for a period of 14 days. In the run home whilst under pressure, HIGHLY LIKELY (Ted Demmler) had a tendency to shift away from the rails for which a warning was issued. On the final turn, ROLLESTON LAD (Lance Justice) galloped losing some ground and the gelding was subject to a post-race veterinary examination, which revealed that it had injured its off-fore leg and the stewards adopted the veterinary surgeon's recommendation that ROLLESTON LAD not race for a period of 10 days.

**RACE 4: 1990 GREAT STATE INTER DOMINION HEAT 5**  
 Driver Darren Binskin (OUR MAESTRO) was fined \$50.00 for a breach of Rule 222(g) for failing to make sufficient effort during the early stages of the score up to have his horse in position. ALMETA BOY (Vin Knight) which is drawn wide in mobile events, momentarily galloped during the score up and, as a result, the horse was out of position at dispatch. A further warning was issued against ALMETA BOY's unsatisfactory barrier behaviour. Shortly after the start, BUTCH'S MATE (Robbie Martin) hung in resulting in tightening to WHITBY TIMER (Rod Chambers). Shortly afterwards approaching the first turn, BUTCH'S MATE again shifted in despite the efforts of its driver resulting in ultimate contact to WHITBY TIMER, which paced roughly and momentarily galloped. Also at this stage, SCREAMING EAGLE (Greg Harper) was shifting ground back to the outside of BUTCH'S MATE and, as a result, this also contributed to tight racing. After taking evidence from the drivers concerned, considering the stewards' observations and what appeared on the official video, a warning was issued against the unsatisfactory race behaviour of BUTCH'S MATE and drivers R Martin and G Harper were both reminded of their responsibilities with regard to ensuring sufficient racing room. Driver Rod Chambers (WHITBY TIMER) was fined \$300.00 for a breach of Rule 265 for moving wider on the track on the first turn with insufficient clearance over VICTORYS PHIL (Tom Mahar) and, as a result, that gelding was checked and obliged to race wider. When considering penalty in this matter, the stewards were of the opinion that there were contributing circumstances to the incident. Following the event, VICTORYS PHIL was inspected by the veterinary surgeon who reported that the gelding had quartered itself on the nearfore leg. The stewards directed that VICTORYS PHIL be subject to a further veterinary examination on Friday 16/2/1990 by the Board's official veterinary surgeon prior to VICTORYS PHIL competing in the third round of heats.

**RACE 5: SOUTH AUSTRALIAN TROTTERS CHAMPIONSHIP HEAT 4**  
 At the start MOTATOE (Barry Nolan), ANOTHER REPORT (Barry Ewen) and LORD ADIAS (Brian Gath) all galloped to varying degrees and warnings were issued in respect to each horse's unsatisfactory barrier behaviour. THE BLAST (Rick Frearson) was slow to muster speed at the start and the gelding also galloped on two occasions during the event. Warnings were issued against the gelding's overall unsatisfactory behaviour. The stewards directed that a routine swab be taken from the winner WESTHAM (trainer L.B. Harding).

**RACE 6: 1990 GREAT STATE INTER DOMINION HEAT 6**  
 Brain Hancock (THORATE) was reprimanded under Rule 265 for careless driving - in that on the entrance to the home straight approaching the middle stages of the event, he commenced to ease wider on the track and, as a result, this caused some inconvenience to QUITE FAMOUS (Jim O'Sullivan). The stewards also questioned B Hancock (THORATE) in respect to the tactics which he adopted, in that - THORATE remained in a rearward trailing position for the majority of the event and was only eased wider on the track approaching the final turn. In answer to the stewards' question, B Hancock stated that initially it had been his intention to move around the field as he felt that QUITE FAMOUS (Jim O'Sullivan) would have also progressed forward and therefore, that would have given THORATE a favourable trail. However, as this ultimately did not eventuate early in the event, B Hancock stated that he had elected to remain in a rearward position and that in the final lap, he was in fact waiting for JANE ELLEN (Vin Knight) to make its move. After giving all matters consideration, the stewards noted B Hancock's explanation. Driver Lance Justice (THE CORNISHMAN) was reprimanded under Rule 265 for careless driving - in that, on the final turn when angling his gelding wider on the track this resulted in ANOTHER BART (Gary Barton) being inconvenienced. KYLIE'S HERO (Maurice McKendry) was held up for a clear run at a vital stage of the event.

**RACE 7: S.A. BREWING COMPANY THREE YEAR OLD STAKES**  
 Approaching the winning post shortly after the start, PACIFIC MORRIS (Rex McMahon) galloped without interference and lost valuable ground. When questioned in respect to the gelding's behaviour, driver R McMahon stated that he had pulled the gelding's hoppel shortener pin prematurely and this resulted in it becoming unbalanced and galloping. After considering the stewards' own observations and what appeared on the video and, as this was PACIFIC MORRIS's second offence of a similar nature, the stewards (acting under Rule 10(l)) barred PACIFIC MORRIS from racing for a period of 14 days. Driver Neil Cavallaro (CAT POWER) was reprimanded under Rule 265 for careless driving - in that, with approximately 1000 metres to travel whilst angling wider on the track and this resulted in inconvenience to JAXASTAR (Bronte Giorgio). Prior to the event at the request of the connections, JAXASTAR was inspected by the veterinary surgeon and was passed fit to compete. The stewards directed that a routine swab be taken from the winner ROYAL SCANDAL (trainer C.W. Stewart).

**RACE 8: 5AA FOUR YEAR OLD STAKES**  
 BUSY BEE (Frank Cavallaro) which is drawn wide in mobile events, galloped during the score up and was out of position. A further warning was issued against the horse's unsatisfactory barrier behaviour. During the event, EMPIRE GINGER (Alan Smith) dropped its offside knee boot. Early in the event, NEW MURDOCK (Michael Dodd) had a tendency to race fiercely and in the home straight on the first occasion whilst racing fiercely, the gelding contacted the sulky of the runner it was trailing and, as a result, a chain-reaction occurred back throughout the field causing inconvenience and NEW MURDOCK, at this stage, substained a punctured offside sulky tyre. A warning was issued against the unsatisfactory race behaviour of NEW MURDOCK. PLAHUTA (Trevor Kittel) was held up for a clear run at a vital stage of the final lap.  
**SWABBING**  
 The stewards directed that routine swabs be taken from all the winners of heats in the Inter Dominion Championships and, also the second-place getters.
