COLOURED SADDLECLOTHS

The New South Wales Harness Racing Club allows horses to warm-up between races at Harold Park. Each horse warming-up is required to carry the saddlecloth designated for the race in which it is engaged.

This procedure has been provided so that patrons may know at any time, the name of a horse which is on the racetrack.

The designated colour for each race is set out below:

Race 1	LEMON	Race 6	GREEN
Race 2	WHITE	Race 7	ORANGE
Race 3	RED	Race 8	YELLOW
Race 4	BLUE	Race 9	SILVER
Race 5	PINK	Race 10	BEIGE

Therefore, if you see a horse warming-up with a Green saddlecloth carrying Number 8, the horse will be No. 8 in Race 6.

NOW WE'RE ALSO COMMITTED TO HARNESS RACING.

Nissan's commitment to Nissan owners is well documented. Now we have extended that commitment to harness racing with sponsorship of the 1994 Inter Dominion. It's a natural association. After all, no vehicle is more at home towing a horse float than Nissan Patrol. Made all the better by the reassurance of Nissan's 2 year/40,000km warranty. And Nissan's 24 Hour Roadside Assistance that's free for the duration of your Nissan warranty.

Nissan is proud to be associated with harness racing. We're committed to the sport, just as we're committed to Nissan owners.

PRESIDENT'S MESSAGE

On behalf of my fellow Directors, I welcome everyone to Harold Park tonight. We are sure you will witness one of the all-time great Inter Dominions.

Throughout the Nissan Inter Dominion Championships the racing at Harold Park has been both exciting and breath-taking. The Final is sure to be the icing on the cake.

Harold Park generates a unique, spine-tin-gling atmosphere; at no other track can you be so close to the action that you can almost reach out and touch the horses.

No matter where you will be tonight, you will not miss one second of the action and will leave knowing you have been a part of sporting history.

KEITH ADAMS

NISSAN'S FULLY IMPORTED BLUEBIRD.

THE NEW NISSAN.

NOW WE'RE ALSO COMMITTED TO HARNESS RACING.

Nissan's commitment to Nissan owners is well documented. Now we have extended that commitment to harness racing with sponsorship of the 1994 Inter Dominion. It's a natural association. After all, no vehicle is more at home towing a horse float than Nissan Patrol. Made all the better by the reassurance of Nissan's 2 year/40,000km warranty. And Nissan's 24 Hour Roadside Assistance that's free for the duration of your Nissan warranty.

Nissan is proud to be associated with harness racing. We're committed to the sport, just as we're committed to Nissan owners.

THE NEW NISSAN.
