NOOPY KIOSKI add half hoppers and a lugging pole to the off side.

RACE 1: INTERFORMS PRINTING GROUP STAKE

GRANT NATHAN and GOLD FOIL were withdrawn by the Stewards at 5:50pm due to the non arrival of the horses at the track as a result of a serious traffic delay. BENNYSMENAME broke in the score up but the horse was able to regain its allotted barrier position prior to reaching the starting point. MAGIC JACKSON raced roughly during the later stages of the score up. STITCHY was caught wide in the early stages of the race. MAGIC JACKSON when leading over raced and pulled hard. CLASS PERSONIFIED hung in and raced roughly at the 300 metre point. MONTY REIGN broke under pressure 50 metres from the finish of the race. The first half of the last mile was run in 61.0 seconds. The next half was run in 59.8 seconds. Pre-race blood samples were taken from MONTY REIGN, SMILE AT ME LOMBO, CLASS PERSONIFIED, CIARA and TURN LEFT. A swab sample was taken from the winner CIARA.

RACE 2: YARROW BUILDING & PLUMBING RACING MINISTERS CUP - HEAT 1

MONEY OR THE BAG NZ was withdrawn by the Stewards at 6:20pm due to the horses non-arrival at the course. BEHIND A LEGEND and THE PROXY were both eased at the start. CHERRY CHEER was caught wide in the early stages of the race.

THE PROXY was caught wide for a majority of the event. TOMMY BURNS over raced and pulled hard. G Lefoe (KING KEVIN) was cautioned for the manner in which he shifted ground at the 1200 metre point, which inconvenienced SWELL FELLA. EDGE OF LIGHT shifted out under pressure in the run to the finish. It was noted that the horse had dislodged its near side knee boot. The first half of the last mile was run in 60.6 seconds. The half was run in 59.1 seconds. Pre-race swab samples were taken from EDGE OF LIGHT, AUSSIE DAN, THE PROXY, CHERRY CHEER and LEFT A DREAM. Post race swab sample was taken from the winner CHERRY CHEER.

RACE 3: GRAEME LITTLE FORKLIFTS RACING MINISTERS CUP - HEAT 2

All further races on the program were put back half an hour due to a major traffic delay in the Western Brisbane area, which was delaying the arrival of a number of runners in the Inter Dominion Series. Stewards approved a late driving change on NICKTASTIC NZ from K Gath to M McKendry at 6:15pm due to K Gath being held up in the traffic delay. A false start was declared on the first occasion when ITSA FERRARI broke during the score up. It was subsequently ascertained that the horse had broken its crupper and as a result of the repairs to the crupper the start of this race was delayed approximately five (5) minutes. ROXINERED and PRAISEABLE were both eased at the start of the race. CAM DEE was caught wide in the early stages of the race. ARMBRO SNUKES CA raced wide from the 1400 metre point. BLUES BROTHER BOY

which broke on the turn into the back straight at the 700 metre point was declared ineligible to start for a period of two (2) weeks and the horse must trial to the satisfaction of the Stewards before again racing at Albion Park. ARMBRO SNUKES CA was inconvenienced in this incident. The first half of the last mile was run in 60.3 seconds. The next half was run in 58.8 seconds. Pre-race blood samples were taken from MAVRO TASSO NZ, DAEWOO, CAM DEE, NICKTASTIC NZ and ARMBRO SNUKES CA. Post race swab sample was taken from the winner DAEWOO.

RACE 4: TOAST.COM INTER DOMINION TROTTING CHAMPIONSHIP - HEAT 3

MAJESTIC GLORY and GEMSTONE LADY NZ which both galloped at the start will continue to be drawn on the outside in future standing start events. LOPSIDED broke shortly after start. AVATAR NZ broke on the turn out of the back straight at the 2400 metre point and again 1300 metres from the finish of the event. NOOPY KIOSK broke 500 metres from the finish. The drivers licence of B Bryant (LOPSIDED) was suspended for three (3) weeks for the contravention of Rule 163 (1) (b) for making NATIONAL INTERESY cover more ground than necessary by forcing that horse wide in the front straight prior to reaching the winning post. GEMSTONE LADY NZ, which was over racing, was moved to a three wide position 1500 metres from the finish. The first half of the last mile was run in 60.9 seconds.
