## Harness Racing Victoria Chairman's Welcome

Welcome to the culmination of the 2008 Watpac Inter Dominion.

Victoria has played host to its ninth and most exciting Inter Dominion pacing and trotting championship over three consecutive Saturday nights from February 16.

The 2008 Watpac Inter Dominion has showcased the best of the best in a dynamic new format aimed at stimulating and maintaining greater interest in harness racing's premier event.

Together with the industry we have developed a blueprint for the future, modernising the industry's showcase series to protect and enhance its identity.

You have been intrigued and captivated by the highly competitive racing schedule and the unique qualification process that has reaffirmed the Inter Dominion's standing as the pinnacle of harness racing's Australasian Grand Circuit.

We were indeed delighted to showcase one of our premier regional venues, Geelong, with the running of the Watpac ID08 qualifying heats on February 16.

It was the biggest crowd Geelong has witnessed since its opening in the late 70's and the meeting set the scene for two big nights here at Moonee Valley.

The Inter Dominion semi finals – two each for the pacers and trotters – were in the spotlight on night two and the sport's biggest names didn't fail to disappoint with Blacks A Fake moving a step closer to a record equalling third straight pacing title.

Tonight is arguably the best night's harness racing Moonee Valley has ever seen with \$1.4 million in prizemoney on offer across 10 fantastic races.

Headlining tonight's program is the \$750,000 Watpac Inter Dominion Pacing Grand Final, the \$250,000 Seelite Windows & Doors Inter Dominion Trotting Grand Final and the nation's oldest pacing classic, the \$150,000 Alabar Victoria Derby.

We are delighted that you have seen fit to join us trackside tonight and experience real horsepower. I can promise you that the climax of the 2008 Watpac Inter Dominion will be a night to remember.

Yours sincerely,  
Neil Busse - HRV Chairman

## Message from Mr Kevin Seymour, AM Chairman, Watpac Ltd

Isn't it exciting when the best horses, best trainers and best drivers come together for what is the undisputed heavyweight event in Australasian harness racing?

I certainly think so, which is why Watpac considers it such a significant honour to be playing an integral role in the 2008 Watpac Inter Dominion.

And what a series it threatens to be. Headlined by Blacks A Fake is pursuit of an historic third-straight win in the pacing final, his quest will be carried out under Harness Racing Victoria's innovative new format of heats, semi finals and grand finals.

Watpac ID08 could not have come at a better time for a harness racing industry that is doing its best to move on from the devastating effects of Equine Influenza. But thanks to tremendous work of all at HRV and the respective Departments of Primary Industry, here we are ready for the biggest three nights' harness racing of the year.

The championship's timing is also impeccable from Watpac's point of view. We have only recently acquired JA Dodd as part of our entry into the Victorian construction market and could not think of a better way of announcing our presence in Victoria.

So thanks for having us and now sit back and enjoy the 2008 Watpac Inter Dominion.

## INTER DOMINION GRAND COUNCIL

### 2008 Watpac Inter Dominion Championships Moonee Valley, Victoria

The Inter Dominion Championship was first conducted in 1936 in Perth and from its inception it was realised there was a need for the Inter Dominion Council to appoint a supervisory body to ensure that rules, policy and guidelines were uniformly interpreted from Series to Series and any disputes resolved during the currency of any Championship Series.

The President of the Council in those days was the late J.P. Stratton who appointed the President of each State and Dominion Controlling Authority to the Grand Council.

Currently, in modern Australasian Harness Racing, this has evolved so that a Grand Council is appointed for each Championship Series by the parent body, the Inter Dominion Harness Racing Council. The Grand Council has a primary role to resolve any disputation referred to it by the Conducting Club.

The Grand Council appointed for this Championship Series is:

#### **Robert Marshall**

Chairman, Inter Dominion Harness Racing Council

#### **Rod Pollock**

Chief Executive, Inter Dominion Harness Racing Council

#### **John Anderson**

Chief Executive, Harness Racing Victoria

#### **Edward Rennell**

## \*\*\*\*\* HOW TO PLACE A BET WITH THE TAB AT THE TRACK \*\*\*\*\*

provides "totalisator" betting (often referred to as "the tote") for all races and has many bet types to choose from. Totalisator betting means that all punters are betting into a single pool, and the pool is divided among all the successful runners. This is why the dividend / price for your runner changes up until the race jumps.

### HOW TO PLACE A BET WITH THE TAB

1. Decide what bets you would like to place.  
(If you can't decide, you can ask for a "Mystery" bet and the TAB computer will make the selections for you)
2. Go to one of the TAB betting windows
3. Tell the TAB operator:
  - The location and race number of your bet
  - The bet type you would like
  - The horse number/s you would like to bet on
  - The amount that you wish to spend

For example, for a Quinella bet (the first two horses past the post in any order) you would say: Melbourne Race 2, Quinella with the numbers 2 and 3, for \$5.

4. Repeat this process for additional bets
5. Give the operator the total \$ amount of your bet/s and you make sure you check your ticket/s!

### HOW TO COLLECT WITH THE TAB

If you are lucky enough to have a win, you'll be able to collect your winnings shortly after "correct weight" is announced.

The dividends for each bet type will be displayed on screens throughout the racecourse so you can determine how much you have won.

Simply present your winning ticket/s to any TAB operator at the track and collect your cash!

Winning tickets can also be presented at any TAB office for collection.

## TIPS FOR MOONEE VALLEY RACE 1

**HUTCHY SAYS:** **BROOKLYN BUTE NZ (5)** looks the clear top pick. He's unbeaten in all five runs since coming from Tasmania late last year and Kerryn Manning's done a wonderful job with him. He won a heat and the final of the Central Victorian Pacing Championship from the stand in January, then had the run of the race when beating Melpark Major in a fast 1:57.7 mobile 2100 here at his latest run, a month ago. **COSMIC UNDER FIRE NZ (8)** is a talented four year old who's won 13 of 23 and two of his three tries from the stand - one of those here. Luckless in the Charlton Cup two starts back, he ran against Blacks A Fake and Smoken Up in a Geelong Free For All on the first night of the Interdom series where he was badly held up in the last lap before charging home late for fourth. He looks ideally suited in this easier race. **TOUCH ME TOES (7)** began brilliantly to lead all the way in last Sunday's Gunbower Cup at Echuca and looked impressive. His stablemate **MESMERIZING (6)** made good late ground for fourth to Mystical Warrior in a strong Geelong race a fortnight ago in an improved effort. She won a similar race to this here late last season. **UNICYCLE (1)** is a handy standing start performer who was narrowly beaten by **COSMIC UNDER FIRE NZ (8)** from the stand here in December and hasn't had much luck in recent runs. Chances also to **MIGHTY MAURIE (2)**, a standing start winner who was impressive in scoring at Globe Derby last week; **SPIRIT OF SHARD NZ (3)**, a daytime winner here recently; **AS I SAY (4)**, an impressive last start Stawell winner who gets Gavin; and **DONTFENCEMEIN NZ (11)**, who ran second in the Charlton Cup three starts back and not been suited in either run since.

**SELECTIONS:** **BROOKLYN BUTE NZ (5)**, **COSMIC UNDER FIRE NZ (8)**, **TOUCH ME TOES (7)**, **UNICYCLE (1)**

**RATINGS:** 5 / 8 / 7 / 1, 2, 4, 11 / 3, 6.

**SUGGESTED BET:** **BROOKLYN BUTE NZ (5)** to win.

It is a very evenly balanced field for the free for all to commence the program and luck in running will be the key to the result. **POWER IN DISGUISE (4)** had his chance when resuming since July but should be fitter for that run and was runner up behind Blacks A Fake and Atomic Ark in several of his efforts last campaign so should be competitive against this field. The enigmatic pacer **ARMBROS REVENGE (3)** finished strongly for a narrow second behind **VISCOUNT VIC (9)** last week and would be a winning chance if he produced his best form. **MYRNIIONG RAGER (7)** is poorly drawn but has worked very hard at his past two outings and is very consistent against this grade. **MAURICE GEORGE (8)** is likely to be trailing the leader **AMRIK OVERDRIVE (1)** from his second line draw and beat a similar field two starts back so is worth an investment.

He is racing in peak form and charged home late for an eye-catching third at Bendigo last week. This race is a  
 little tougher and he is likely to be shuffled back on the markers from the awkward draw but he might run into  
 a place via the sprint lane.

Speedy pacer with a terrific strike rate. He has been lightly raced over the past two seasons and has been  
 freshened up since an eye-catching third at Globe Derby. He finished a close second in a recent Cranbourne  
 trial in fast time and he would take beating if he was somewhere near his peak form.

**HUTCHY SAYS:** ROMEO CASTLE (4) looks the goods here. Outside the Interdom series, there's no horse racing better at the moment. Recent wins include a 1:56.3 mile  
 success here and a fast finishing Ararat Cup victory over Larado, and he comes off a  
 luckless sixth in the Charlton Cup from a back mark and an impressive Shepparton  
 victory a fortnight ago when wide to the breeze and producing a 56.9 last half to out-stay  
 rising star Whipair. BLATANT LIE (12) is a highly talented gelding who's won 26 of 49  
 but has had injury problems over the past couple of seasons. His last win was when  
 beating Sokolya on this circuit in June 2006 but he's only raced three times in the past  
 two seasons, with his latest effort a Globe Derby third under FFA conditions to Smoken  
 Up in January. Keep him safe, he's a classy animal. ADVANCE ATTACK NZ (10) beat  
 Sequoiahs Spirit NZ in the standing start Horsham Cup four starts back, then was  
 luckless in two runs before an unplaced effort in the Hunter Cup a month ago. He'll  
 freshen nicely into this easier race. Best of the others is FLAMIN TACT NZ (6), who was  
 placed twice here before having no luck in strong Interdominion races at his latest two  
 outings.

**SELECTIONS:** ROMEO CASTLE (4), BLATANT LIE (12), ADVANCE ATTACK NZ (10),  
 FLAMIN TACT NZ (6)

**RATINGS:** 4 / 10, 12? / 6 / 2 / 8, 9, 11.

**SUGGESTED BET:** ROMEO CASTLE (4) to win.

PERFECT PEGASUS (6) was having his first run in a month when he sustained a long run and got up to win in the fastest heat of this series last week. He has won five of his nine starts for the season and is capable of overcoming the wide draw. MILLER (1) is a genuine sprinter, which finished strongly behind PERFECT PEGASUS (6) last week and is drawn to trail the likely leader SPIDER MORGAN (2) so looks to be an each way special here. SPIDER MORGAN (2) set a slow speed and was entitled to win last week but his form prior was strong and he will take catching again from his good draw. OLIVER ROYAL (8) is a strong staying type, which was unsuited to trailing the leader and using the sprint lane last outing. He couldn't have drawn worse than the inside of the second line but is a winning chance if there is a genuine tempo throughout. MACQUARIE (3) and NO ASTI LEFT (7) are both racing well enough to fill a place if they receive the right luck in running.

SELECTIONS: PERFECT PEGASUS (6), MILLER (1), SPIDER MORGAN (2), OLIVER ROYAL (8)

SUGGESTED BET: MILLER (1) each way

EXOTIC BET: Flexi Trifecta 1,2,6,8 (Cost \$20, which gives 83.33%)

'THE ADVERTISERS' LINCOLN MOORE SAYS HIGH AND LOW (9) has been in devastating form in claiming company and made it nine wins from 10 starts in SA when he was too good for a similar field here last start. He has a similar draw and does look the testing material AWESOME ALBA (8) has been around the mark at his two starts in SA for Mark Webster and is suited here despite the second row draw. IM GAUCHO (4) has a good run when a winner back in class last week. He has early speed and can run a cheeky race. JACCKA LEX (5) is drawn wide but he was a touch unlucky when runner-up behind Im Gaucho last week and is worth some thought. COOL CHIP (7) is drawn to get a good run behind the speed and he improved last time when 3rd behind Operation Dynamite on Monday. NORTHERN PRINCE (3) can run a forward race from the good barrier draw.

SELECTIONS: HIGH AND LOW (9), AWESOME ALBA (8), IM GAUCHO (4), COOL CHIP (7)

## OUR SIR VANCELOT - HISTORY MAKER

...come back to Moonee Valley two Kings of the Inter Dominion - Our Sir Vancelot and his trainer/driver Brian Hancock.

...ing on a night that Blacks A Fake chases a hat trick of Inter Dominion titles and industry honours and remembers the only horse to have won three straight Inter Dominion titles - Our Sir Vancelot.

From the time Hancock took control of Our Sir Vancelot, the Kiwi-bred son of Va Hanover and Teeny Teeny seemed destined for superstardom.

You don't win your first eight starts unless you've got above-average ability that's exactly what the precocious colt did.

At his 10th start Our Sir Vancelot was tested in the big time where Hancock and team learned that for all his ability, he wasn't quite ready for the big league at an early age.

So it wasn't until his five-year-old season that Our Sir Vancelot made his appearance at the series that would provide him with his path to stardom - the Inter Dominion.

But after winning one of the opening-round heats and finishing second in the other, round, things didn't go to plan in the final and Our Sir Vancelot was pulled out of the race.

It was to be the last Inter Dominion final Our Sir Vancelot contested that he didn't win. He got better the longer the series went in Adelaide in 1997, winning both his opening round heat and the final.

It was a different story in Hobart in 1998, where 'Sandy', as he was affectionately known, experienced a mixed bag during the heats, winning two and finishing last in the other, but it didn't stop him coming out and again winning the final.

And then there was Auckland in 1999. Unlike Blacks A Fake this year, Our Sir Vancelot was not the punters' pick for months leading up to his shot at history, the honour falling to boom local Christian Cullen.

But even when Christian Cullen succumbed to injury on the eve of the series, it was still a Kiwi who most people wanted to be on with Iraklis carrying the bulk of the money.

But as only champions can do, 'Sandy' rebounded from a couple of lacklustre performances to record one of the most famous wins in Australasian harness racing history.

That final Inter Dominion success was the second-last time Australasian harness racing fans saw Our Sir Vancelot in race mode.

He returned to his home state for a farewell run and bowed out the way all champions should - a winner - thanks to victory in the Bathurst City Gold Cup.

In all, Our Sir Vancelot visited the races 97 times for 48 wins and 26 minor places and \$2,197,990 in stakes. At the time of Our Sir Vancelot's retirement that was a record for an Australasian standardbred.

How fitting it would be if the current stakes-record holder was the horse that provided him with some company in the Inter Dominion hat-trick club.

**OUR SIR VANCELOT WILL PARADE DOWN THE MAIN STRAIGHT AT 7.15PM TOMORROW**

Purchased for \$8,000 at 2005 Melbourne APG Sale

Outstanding 4yo pacer, which finished strongly to win a heat of this series in fast time. He is very versatile and has been placed at his past 13 starts so he must be respected despite the outside of the second line draw.

**HUTCHY SAYS:** Heats of this race were run at Geelong a fortnight ago and there look to be many winning chances. **MYSTICAL WARRIOR (1)** is a promising five year old who took his record to 13 wins from 27 starts when using the sprint lane to beat **STAR OF TARA NZ (5)** in his heat and draws for a similar effort. **STAR OF TARA NZ (5)** is a highly talented four year old who won eight races last season and will be improved by that first up run where he led. **MEADOW RAINBOW (6)** put up a monster performance when working extremely hard in the early stages to find the breeze and leading in the home straight when cut down late by an impressive **LUV THA ACES LOMBO (12)** at Geelong, and they both rate highly, even from their awkward draws. The other heat was won by **STRIKING SPIRIT (4)**, who produced her trademark finishing burst when coming off a three wide trail and driven in similar fashion. She can win again. Best of the others may be **STAR CITY ROLLER (7)**, who was luckless in his Geelong heat, then flashed home from last on the home turn when third in the Gunbower Cup at Echuca last Sunday.

SELECTIONS: **MYSTICAL WARRIOR (1)**, **STAR OF TARA NZ (5)**, **MEADOW RAINBOW (6)**, **LUV THA ACES LOMBO (12)**

RATINGS: 1 / 5 / 6, 12 / 4 / 7 / 2, 8, 10.

SUGGESTED BET: Flexi trifecta 1, 5, 6, 12 to win, with the field for second and third. \$36.00 gets you 10%

**HOOKEM MIKE (1)** is a genuine sprinter, which led throughout to win in slow time two starts back then broke stride last outing. He is perfectly drawn to trail the likely leader **BLACK MAX (2)** so is a winning chance via the sprint lane. **BLACK MAX (2)** only battled into third against easier grade at the Gold Coast last week but should receive a good run in front here so is worth an investment. **THAT'S THE STATURE (4)** has been racing consistently against similar grade in recent weeks and is very versatile so looks to be one of the leading chances in the event. **MIDGEE NITRO (9)** has been racing in career best form and was held up badly for a run when a luckless sixth behind Perfect Pegasus last week. He has a trailing draw and should be finishing strongly in this event. **ZANE PATRICK (5)** raced on the outside of the leader when fourth last outing and usually performs best when driven with cover so is capable of running a better race here.

**SELECTIONS:** HOOKEM MIKE (1), BLACK MAX (2), THAT'S THE STATURE (4), MIDGEE NITRO (9)  
**SUGGESTED BET:** HOOKEM MIKE (1) to win  
**EXOTIC BET:** Flexi Roving Trifecta with 1 & 2 the rovers into 4,5,7,8,9 (Cost \$20, which gives 66.66%)

**'THE ADVERTISERS' LINCOLN MOORE SAYS** LAND OF PANAARM (2) is a Victorian trained by Michael Hughes who has been placed at four of his past five since winning at Warragul last August. He tried hard behind Kid Billy at Geelong and looks hard to beat. PACIFIC LIGNUM (6) is drawn wide and he did make some ground when 4th behind Dionysus Gold here last week. EARTHSHINE (5) is a South East youngster was well supported when down the track on debut before a good win over Undertherainbow at Mt Gambier last time. SHADOWS OF A MAN (7) was placed behind Same Action last time and can run into the multiples. SAFE EBONY (1) must be considered from the draw.

## Harness Racing Victoria Horse Movement and On-Course Safety Guidelines

Maintaining integrity and safety at racetracks includes ensuring that unlicensed persons and members of the public are not permitted unrestricted access to horses on course.

Commencing 2 March 2008, Clubs throughout Victoria will adopt procedures to exercise control over horse movements and access to horses on course to licensed persons and officials only.

The following highlights key aspects of the guidelines:

**1. All licensees to display appropriate accreditation (Licence Card)**  
On entry to every racecourse and while occupying areas deemed to be *Restricted Access Zones* all licensees must display a copy of their current licence card.

**2. Only licensed participants and officials to enter via Horse Gate**  
All registered harness racing venues will have at least two entrance points.  
1. Horse gate – horses, licenced persons and officials only  
2. Public gate for all non-licenced patrons  
Any unlicensed person attempting to access any venue via the horse gate will be refused entry.

**3. Restricted Access to Horse Movement Areas**  
Only licencees and accredited officials will be granted access to *Restricted Access Zones* such as stable areas, parade rings and racetracks. By November 1, 2007 clubs will have appropriate fencing and signage erected to clearly identify *Restricted Access Zones*.

**4. STABLE ACCESS PASS – Permits Owners and Children restricted access to horse movement zones**

HRV acknowledge the importance of key stakeholders being able to access horse movement areas including owners and children of participants. As such the *Stable Access Pass* (only valid for date of issue) has been devised permitting conditional access to horse movement zones as follows:

Who	When	Accompanied by	Accreditation Details
Children of Participants	Parent has horse engaged	Parents	• Passes available at the horse gate only.
Owners (1 guest, 15 years or older, per owner may also gain entry with the owner)	Horse owned is engaged	Trainer of horse	• Passes available at the secretaries office only • Number of passes available for any one horse is limited to 6 per meeting • Identification maybe requested

He ran home powerfully to win on his debut effort but has been disappointing in three efforts since. He did miss the start hopelessly under the standing start conditions last time and will be better suited to this mobile event but place is best.

Beautifully bred colt, which led and found Ananz too strong when on his debut. He probably should have won but broke stride in the straight at Shepparton then led comfortably to score last outing. He drops back to the second line now but looks to have a promising future.

Premiere Stakes placemaker last outing where she led and was gunned down in the final 100m. She has raced very consistently since her debut having not finished further back than fourth in five starts but she faces a tough task from this draw.

**HUTCHY SAYS:** An interesting two year old affair and over the testing trip of 2100 metres. **BUBBLES AND BLING (7)** is a top Western Australian youngster who completed the hat trick when winning a feature race at Gloucester Park last weekend. From gate four, he didn't show much early speed in that race, settling one-out and three back, but sustained a strong wide move from the 1150 and was too tough for his rivals. **ANANZ (1)** is a talented Peter Manning trained filly who sat in the breeze outside **EMM HARVEY (10)** and out-sprinted him in a debut victory at Ballarat before easily beating an average lot at Mt Gambier in all the way fashion a fortnight ago. Tasmanian visitor **SANDLER (3)** has had a strange preparation for this race as this winner of six of his seven starts has been racing and winning from standing start back marks. He came from a 30 metre handicap to win on the tight Burnie circuit at his latest start but showed good mobile ability when a Hobart winner at his most recent try from behind the gate. **EMM HARVEY (10)** followed his debut second to **ANANZ (1)** at Ballarat with a mistake at Shepparton where he would probably have won, then found the lead over the sprint trip at Bendigo last time and finished off in 58.3. He's a handy type who'll need a little luck from the awkward draw. The other winning chance belongs to **WATCH THE ACES (5)**, who's won three of seven and fought on well when second to **EMM HARVEY (10)** at Bendigo last week after working hard to find the breeze.

**SELECTIONS: BUBBLES AND BLING (7), ANANZ (1), SANDLER (3), EMM HARVEY (10)**

THE MIDNIGHT OWL (10) couldn't have drawn worse than the outside of the second line but recorded a huge victory at Albion Park last outing when he raced three wide for most of the trip. He gets into this race with a concession claim and should be competitive again. **ALBERT ARALAR (5)** is a smart pacer, which has been placed in 26 of his 38 starts. He hasn't raced since August will take beating if he is somewhere near his peak form. **VICALO (1)**, **CLASSIC HERO (4)** and **DEEP TEMPEST (6)** are all brilliant beginners from the mobile so there should be plenty of pace in the early stages of the event. This should suit **DELECTABLE DOLLY (8)** and **WAKIZASHI (9)**, which are capable of finishing strongly with the right trail forward so both are worth a ticket each way. **THE MARKET MINOR (2)** is a consistent performer, which is nicely drawn and is not without a chance in an open race to commence the Quaddie.

NOTHINGLIKEMARY (7) has been placed at her past two and she always tries hard. She hasn't won since last November but is worth some thought. NATURAL LOBELL (11) is racing well for his new stable and he battled on well when 3rd behind Bluechip Holmes at Port Pirie last time. DOUBLE TALKN JIVE (6) wasn't far away at odds back in class last time and he was a Gawler winner five starts back. ATOM AGAIN (1) is drawn well. He hasn't won since September but can surprise.

## DERBY DILEMMA FOR PUNTERS

Where do punters look to try and find the winner of tonight's \$150,000 Group 1 Alabar Victoria Derby?

The tried and true formula was to load up on the reigning Australasian Breeders Crown 2YO champion, but that horse isn't here this year with Flightpath failing to fill a top-four placing in his heat last week.

The Breeders Crown winner has gone on to win the Derby every year since Bellas Boy won the Breeders Crown in 2002.

As a result, punters are faced with the most open Derby field in memory.

With Flightpath not here, the Breeders Crown runner-up might be the next best option and that horse is Maffioso.

The reigning Victorian 2YO of the Year, Maffioso secured his place in the final with a dashing win in last week's opening heat on a night when Victorian-trained horses won all three heats.

The others were the Jayne Davies-trained Crusaders Castle, who took his record to five wins from six starts with an all-the-way win, and the unheralded Tanabi Bromac, who overpowered his rivals to win the final heat.

That trio will all be driven by reinsmen who are no strangers to Victoria Derby success. Chris Alford (Crusaders Castle) won the race in 1993 (Golden Reign) and 1995 (Blueagle), Gavin Lang (Tanabi Bromac) was successful aboard The Sentry in 2004, while Brian Gath (Maffioso) won the race way back in 1977 with Sammy Karamea.

Two-time winner Tony Herlihy (Bad Cat) and Kerryn Manning (Tappies Pass) are the other drivers engaged tonight who have tasted Derby success.

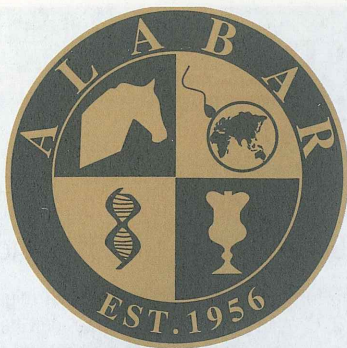

But those horses aren't the only local contenders in the nation's oldest pacing classic.

Allan McDonough-trained pair Best Of Times and Im Mark Antony lost few admirers with their second placings in last week's heats, while Im Full Of Fire was typically honest and could be tonight's value runner.

But, historically, the Derby isn't won by a value runner. The past 13 winners have started either favourite or second favourite, which augurs well for the sole New South Wales representative in tonight's race, Flite Dynasty.

The Ross Adams-trained star was an eye-catching second placegetter in his heat last week and was installed favourite after Tuesday's barrier draw despite landing a back row alley (10).

That just adds further intrigue to what is one of the most competitive editions of the 93-year-old race.

New South Wales trained pacer, which trailed the leader Maffioso from the inside draw and finished fourth last week. He dashed home to beat easier grade at Bathurst prior and is likely to be at big odds from this tough draw.

**HUTCHY SAYS:** An outstanding field of three year olds do battle here in what looks a fairly open Victoria Derby. **CRUSADERS CASTLE (2)** debuted only three months ago when victorious at Bendigo in December and has had a quick rise to prominence with a five from six win record. He led all the way to beat **TANABI BROMAC (7)** here later that month, resumed with a luckless unplaced effort here, then has since won from the breeze at a day meeting on this circuit a fortnight ago, and in all the way fashion in his heat of this race last weekend when out-sprinting **BEST OF TIMES (3)**, who sat behind him and was unable to pick him up in a fast last quarter. The likely leader, he rates as the horse to beat. **FLITE DYNASTY (10)** is an outstanding talent who can do a few things wrong. A 1:57.9 two year old winner last season, he showed toughness when sitting in the breeze to win the NSW Sires Stakes final at Harold Park last June, resumed with an amazing Harold Park success when blowing the start and coming from last in a 56.8 last half, then was eased to the rear in his heat here last week and pulled a lot of ground off all the way winner **MAFFIOSO (11)** in his impressive second placing. **MAFFIOSO (11)** is a tough and highly talented youngster who led last week but will have to work hard to earn his money this time from the awkward draw. The other heat was won by **TANABI BROMAC (7)**, who continued his hot streak of form by making two moves and out-finishing a gallant **IM MARK ANTONY NZ (5)**, who'd been wide from the rear in the last lap and led in the home straight. That pair both rate as strong winning chances, along with **BEST OF TIMES (3)**, **IM FULL OF FIRE NZ (8)** and **BAD CAT NZ (9)**, a big improver last week.

**SELECTIONS:** CRUSADERS CASTLE (2), FLITE DYNASTY (10), IM MARK ANTONY NZ (5), MAFFIOSO (11)

HAL THOMAS (10) was unsuited by a slowly run race when he finished well without threatening at his latest sixth. He beat the same opposition at his previous three starts and is worth another chance here. NICKYS FALCON (9) is dropping back from the dearer claiming class and has been competitive against this grade before in the past. He has the perfect trailing draw and should improve on his numerical form here. RIVERSDALE (5) has early speed and is also dropping back from the dearer class so should be competitive in this event. YORADEVIL (1) has been racing consistently at his most recent efforts and found the line well mid-week. He is perfectly drawn and should be prominent throughout. SCARECROW (3) was making his Queensland debut when he scored narrowly at the Gold Coast last week. This race is tougher but he has been a grand old campaigner and is capable of showing up without surprising.

SELECTIONS: HAL THOMAS (10), NICKYS FALCON (9), RIVERSDALE (5), YORADEVIL (1)  
SUGGESTED BET: HAL THOMAS (10) to win  
EXOTIC BET: Flexi Trifecta 5,9,10/ 1,3,5,9,10/ 1,3,4,5,6,7,9,10 (Cost \$20, which gives 27.77%)

## CRUNCH TIME COMES for KENNY

**Tonight shapes as a career-defining evening for gun Kiwi trotting mare One Over Kenny.**

Win the \$250,000 Group 1 Seelite Windows & Doors Inter Dominion Championship and the Phil Williamson-trained superstar will most likely draw comparisons with our most recent champion trotting mare, Pride Of Petite.

Lose and she will almost certainly surrender her tiara as the southern hemisphere's top squaregaiter.

That's a scenario that seemed unfathomable as recently as a week ago for the six-year-old, who has won 24 of her 42 starts and almost \$600,000 in prizemoney – more than a quarter of the total prizemoney earned by tonight's trotters' field.

She has been an odds-on favourite to win tonight's final for over two months.

And she remains "in the red" despite her third placing to Will Trapper in last week's semi final. Was she suffering the effects of a low-grade infection, as Williamson suggests, or was she just plain disappointing?

We won't know until about 8.34pm, but the one thing for certain is that her defeat last week has added much intrigue to the biggest trotting race of the year.

One Over Kenny's rivals now give themselves a sniff of upsetting her, even after she drew ideally in barrier two for tonight's final.

Perhaps the two horses best placed to cash in on One Over Kenny's wavering form are her compatriots Whatsundermykilt and My Rhythm Of The Night.

After all, squaregaiters from the Shaky Isles have won all but two Inter Dominion Trotting Grand Finals since 1990 and that pair are the only two other Kiwis in the race.

Kiwis will also tell you Galleons Sunset is also one of theirs, but the

six-year-old has been in the care of Australia's master troglers, Chris Lang, since winning the Group 1 Bill Co. December and will officially represent the host state.

He is one of a strong contingent of Victorian trotters repelling the New Zealand invasion.

**Will Trapper** (pictured above) might be having only his third start in a mobile race, but it was he who rained on the One Over Kenny parade last week and he who will start from the inside barrier.

You won't have to go too far to find someone who will tell you that's not the ideal barrier for the talented-but-erratic son of Keystone Salute, but you also won't have to go far to find an opposition trainer that wouldn't swap barriers with Will Trapper's trainer John Noonan in a heartbeat.

Ross Graham certainly wouldn't mind seeing Viva La Fever starting from the pole, but then again he shouldn't have too many problems with barrier six.

That is where Viva La Fever came from to win his semi final and but for a seventh placing in the Cochran Cup final two starts back, the son of Village Jasper is Australia's in-form trotter with four wins from his past five starts.

Victorian trainers Lance Justice and Russell Thomson provided the first two runners home in last year's trotters' final and they are back for another crack this year.

Justice, who prepared roughie Uncle Petrika to edge out hot favourite A Touch Of Flair in 2007, has Earl Of Mot engaged, while Thomson could have two chances to go one better than last year.

Pinevale Ellason, who beat home One Over Kenny when second to Will Trapper in last week's semi final, is guaranteed a start while stablemate Running Pinevale is the emergency and will gain a start if there is a scratching.

Crescent Glory, like Earl Of Mot, is striving to become just the third four-year-old to win an Inter Dominion Trotting Grand Final, while False Gem and Tennotrump complete the field.

**Whatever the result, it's going to make for an enthralling three-and-a-bit minutes.**

4yo trotter, which took on the open class for the first time when he finished boldly for third in Cochran Cup then raced very fiercely when on the outside of the leader at his latest sixth. He has plenty of ability and is a value hope if he is able to settle better.

Dullard Cup runner up, which finished on well for third in the Terang Cup then followed with a fourth last week when he did plenty of work in the early stages to find the lead. He is very tough and will be suited by a solid speed being set throughout.

She is racing in career best form and came from last on the home turn when an eye-catching fifth last week. She raced three wide for the last lap and ran a huge race in the Cochran Cup prior. Bolters hope.

**HUTCHY SAYS:** It's hard to assess outstanding mare **ONE OVER KENNY NZ (2)** as she's been high unbeatable all season but was an abject failure when a battling third as a \$1.20 favourite in her heat here last week. Previously she'd worked around and taken the front away from **WHAT'SUNDERMYKILT NZ (9)** when winning a Free For All at Geelong, then last week from the second line she went to the breeze in soft fashion mid-race, but didn't really find when tackled in the home straight by an ever improving **WILL TRAPPER (1)**. She's obviously top pick here but it's hard to forget last week's failure. On the other hand, **VIVA LA FEVER (6)** produced an outstanding effort to win his semi final when, after working hard early before taking the one-one, he outfinished **WHAT'SUNDERMYKILT NZ (9)**, who'd led, took a sit, and used the sprint lane. That pair loom as big dangers to this favourite. **WILL TRAPPER (1)** isn't quite as well suited this week as he'll probably be headed off from the inside draw, but the way he won last week stamps him as potentially as good as any trotter in the land. **GALLEONS SUNSET NZ (5)** was having his first run for three weeks when he led in that heat and battled on okay after being headed on the home turn. He'll be improved by that run, looks the early leader and has an excellent each way chance. **EARL OF MOT NZ (8)** put up an outstanding performance when third to **VIVA LA FEVER (6)** last week as he was wide without cover in the last lap and fought on solidly. He just needs a little luck from where he's drawn. **CRESCENT GLORY (10)** should bounce back from his unplaced effort last week where he was set too hard a task and wilted. He'd previously come from the rear to beat **WILL TRAPPER (1)** at Terang, then battled on well for third to **ONE OVER KENNY NZ (2)** at Geelong.

**SELECTIONS:** ONE OVER KENNY NZ (2), VIVA LA FEVER (6), GALLEONS SUNSET NZ (5), WHAT'SUNDERMYKILT NZ (9)  
**RATINGS:** 2 / 6 / 1, 5 / 9, 8 / 10.

She looks ideally suited in this class and the one to beat. **CARNIVAL ROSE (1)** is a smart mare who led throughout at big odds here two starts back before trying hard behind the highly rated Monterosso last time. She'll take some beating from the nice barrier. **COUNTRY OCCASION (4)** was a good Cranbourne winner two starts back before being placed behind Magic Spark there last week. He has a good record and looks well placed here. **STANDLEY CHASM (10)** worked early to find the lead when a solid winner over Esiason at Gawler last week. big ask from the draw but he'll go well. **ALLBERT (7)** should be fitter for one run since returning from perth and can run a cheeky race. **EM CEE SQUARED (2)** must be considered from the draw.

**SELECTIONS: SAVED A CORKA (8), STANDLEY CHASM (10), CARNIVAL ROSE (1), COUNTRY OCCASION (4)**

TREASURE BALL ZEE (10) is racing in career best form and chased gamely when third behind the top filly Don't Fall Me in a fast 1.55.6 mile prior to being beaten narrowly by the good filly Rich Heritage mid-week. He has a tough draw but is still the horse to beat. LEFT TO LUCK (1) was unsuited to being drawn on the inside of the second line at Albion Park on Tuesday when he finished a creditable fourth. He led throughout to win comfortably three starts back and will be in front for a long way from the pole position. THUNDERBOLT CRUISER (8) has the perfect trailing draw behind LEFT TO LUCK (1) and scored impressively at the Gold Coast last outing so is one of the leading chances. FLAMING BANJO (7) is terribly drawn on the outside of the front line but sprinted home well from midfield to score at Albion Park last outing and is capable of running into a place in this race of limited winning chances.

SELECTIONS: TREASURE BALL ZEE (10), LEFT TO LUCK (1), THUNDERBOLT CRUISER (8), FLAMING BANJO (7)

SUGGESTED BET: TREASURE BALL ZEE (10) to win  
EXOTIC BET: Flexi Trifecta 1,8,10 / 1,8,10 / 1,7,8,10 (Cost \$20, which gives 111%)

Former American pacer, which trailed the leader from the inside of the second line and rallied nicely in the straight for second on his Australian debut. He worked hard in the early stages, gained a trail mid-race and boxed on fairly last week. Place hope.

luck from this draw.

**HUTCHY SAYS:** REBA RAJAH (3) led all the way in his Interdom heat win at Geelong a fortnight ago, then was totally luckless last week when carted back to near last on the home turn before flashing home late to just miss qualifying for the final. He looks ideally suited against these, should find the lead, and they may not run him down. Another Geelong heat winner in CINCINNATI KID NZ (9), followed his 1:57.9 victory there by finishing down the track behind Safari last week but they won't go as quickly this time and he should position just off the pace from this good trailing draw. For a metro maiden, IN MONACO NZ (1) has done a great job in this series. He fought on well when third in his heat to REBA RAJAH (3) at Geelong, then had no luck last week from a wide draw. With his early speed should be able to hold the back of the leader here, and is sure to be a sprint lane threat. ATOMIC ARK (4) was placed behind Be Good Johnny in a FFA here on Hunter Cup day, then finished a battling third to Penny Veejay in the Geelong heat of this series before having no luck and fighting on well when sixth to Blacks A Fake here last week. He's on the improve and looks well graded on his best form. Stablemate GOOD LOOKIN GIRL (8) sat behind the leader and weakened last week and is obviously not going as well as she can. Please yourself. Each way chances to BALTIC ICE (2), AMORTS (5) and SMOOTH CRUSA NZ (10).

**SELECTIONS:** REBA RAJAH (3), CINCINNATI KID NZ (9), IN MONACO NZ (1), ATOMIC ARK (4)

**'THE ADVERTISERS' LINCOLN MOORE SAYS SONEAKWEER STREET (9)** has done a great job this season and he was driven off the speed when too good for Picasso Star here last week when first-up from a freshen-up. He'll be better for his first run for six weeks and looks the testing material. **BILLY BOY (11)** has been placed twice this time in work and he worked mid-race before breaking behind Oneakweer Street here last week. He has good speed and should be better for last weeks outing. **HEZA HERO (1)** has plenty of talent winning five of his 17 starts and he recorded consecutive wins here before breaking behind Picasso Star last time. He'll take some beating if he can utilise his good handicap and barrier. **HOT TROTTIN REBEL (5)** is a Victorian who was won five races and he was placed at Kilmore five starts back. He should run a big race in this class. **ROVERS RETURN (10)** was a good winner four starts back and she made ground last week when 3rd behind Picasso Star. She has been in great form and will be thereabouts. **DARING DASH (6)** is worth some thought at odds.

# Shakamaker

A LASTING LEGACY

He has held the crown for eight years, but tonight Shakamaker will pass on the mantle as the reigning Melbourne Inter Dominion pacing champion.

Worshipped by fans and feared by rivals, Shakamaker captured the hearts of Melburnians in a career that spanned six glorious seasons from 1998 to 2003.

Affectionately known as 'Shaka', the Victorian crowd favourite amassed a staggering 46 wins and 22 placings from 81 starts for owners John and Glenys Wolfe.

During his illustrious career he amassed \$2,219,634 in stakes – which, until Blacks A Fake's stunning Hankook Tyres Hunter Cup success last month, was the highest earnings of an Australasian pacer.

A mere \$3,500 yearling purchase, the striking son of Bookmaker became a modern day cult hero under the guidance of Toolern Vale trainer-driver John Justice, dominating Australian harness racing right from his debut.

Shakamaker won nine Group 1 races throughout his career including the biggest of them all, the 2000 Inter Dominion Final in front of his adoring hometown crowd.

His other triumphs at the elite level were the Western Australian Derby, South Australian Derby, Victoria Cup, Ben Hur, Tasmanian Pacing Championship, South Australian Cup and Vicbred 3YO and 4YO Super Series Finals.

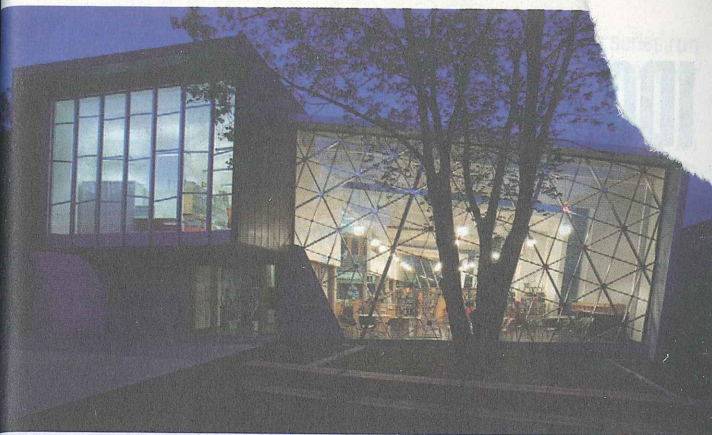

He was placed in a further 10 Group 1 races including the 2002 Inter Dominion Pacing Final at Harold Park, where he finished runner-up to Smooth Satin.

Throughout his career he graced no less than 16 tracks across Australasia, covering more than 184 kilometres in race attire in the process.

His blistering speed was best illustrated by the fact that he posted 27 wins in a sub two-minute mile rate, his durability by the fact he missed a stakes cheque on just four occasions.

His deeds were immortalised in 2004 when Harness Racing Victoria launched The Shakamaker Classic, a race for the state's premier two-year-old pacers and one of the feature support races on tonight's Watpac ID08 Grand Finals program.

Shakamaker will lead the field out for tonight's Watpac Inter Dominion Pacing Grand Final.

## COUNTDOWN TO HISTORY

The countdown has lasted 14 months, but tonight we finally get to see whether Blacks A Fake can join Our Sir Vancelot as the only horse to have won three-straight Inter Dominion Grand Finals.

From the moment Natalie Rasmussen's superstar went back-to-back in Adelaide on January 13 last year, most of the talk surrounding the 2008 Watpac Inter Dominion has revolved around Blacks A Fake's quest for a hat-trick.

Tonight, racegoers are a chance of seeing history before their own eyes – particularly if form has anything to do with it.

The son of Fake Left is possibly in better form now than he was heading into either of his previous Inter Dominion campaigns.

You don't win a Hankook Tyres Hunter Cup off 30 metres unless you're in top nick. That's exactly what Blacks A Fake did here at Moonee Valley on February 3 when he became the first horse in 12 years to win Australia's richest handicap off such a daunting mark.

He tuned up for his shot at history with an all-the-way win in last week's semi final from barrier six – the same barrier he has drawn in tonight's final.

Not everything points towards a Blacks A Fake success tonight, however, with the seven-year-old out to become only the fourth horse of that vintage to win the pacing final since 1985.

Five and six-year-olds have the best record in that time with seven wins apiece, which will be music to the ears of those who fancy the two horses best served at Tuesday afternoon's barrier draw – Divisive and Smoken Up.

The two five-year-olds have drawn barriers one and three respectively, which should ensure they are prominent throughout the 2575-metre event.

While Divisive, who is somewhat of a specialist at landing great barriers in major races, is looking to deliver New South Wales its first Inter Dominion crown since Jofess won in 2004, it has been eight years since a Victorian-trained won Australasian harness racing's premier event.

That was in 2000 when Shakamaker won the previous series run at Moonee Valley. In one for the omen followers, Shakamaker was trained by Lance Justice's brother John.

The driver of one of tonight's other leading contenders has an even stronger connection with Moonee Valley Inter Dominion finals. Brian Gath's only Inter Dominion success to date came aboard Markovina in 1978 in what was the first Inter Dominion pacing final held at this venue and he will chase a second title tonight aboard second favourite Safari.

Behind Blacks A Fake, Safari has been the most talked about horse in the lead-up to tonight's final smashing track records at three of his past five runs. The most recent was in last week's semi final when he clocked a blistering 1:56.3 over the 2575m journey of tonight's final.

The Emma Stewart-trained eight-year-old has his own daunting hoodoo to overcome if he is to win tonight. Since 1962 only one eight-year-old – Our Sir Vancelot in 1999 – has been successful in an Inter Dominion pacing final.

The lone Kiwi in the race is Report For Duty, who is the most lightly-raced runner in tonight's pacing final with just 33 starts to his name. He loses nothing in his handlers, however, with trainer-driver brothers Tim and Anthony Butt three-time winners of the Inter Dominion trotting grand final.

They are the main contenders, but the depth of this year's final can be measured by the horses that occupy the lower rungs of bookmakers' boards.

Robin Hood won Victoria's best race, the SEW-Eurodrive Victoria Cup, less than three months ago, Penny Veejay holds two Moonee Valley track records and broke another in running second to Safari last week, Diamonds N Furs and Karlsruhe are potential Grand Circuit stars and Perfect Gold Lombo is drawn to run a mighty race in barrier two.

*It only comes to town once every eight years and this year's Watpac Inter Dominion Pacing Grand Final shapes as one of the best in the prestigious series' 72-year history.*

## TIPS FOR MOONEE VALLEY RACE 8

**HUTCHY SAYS:** The barrier draw has opened this race up and made it one of the most interesting Interdominion finals we've seen. **DIVISIVE (1)** looks to be peaking at the right time. He won at his first two starts from a spell - in the Shepparton Cup and then sitting outside **SMOKEN UP NZ (3)** in the Pure Steel at Ballarat, before a battling fifth in the Hunter Cup, an Interdom heat fourth at Geelong when forced to work too hard in the early stages, then topped off his preparation nicely when sprinting from the rear in a 56.8 last half for a close second to **BLACKS A FAKE (6)** here last week. He has the gate speed to decide who'll lead and looks likely to be sitting leaders back with the pace on, and using the sprint lane in exactly the same way as when he won the Victoria Derby here two seasons ago. **BLACKS A FAKE (6)**, who's shooting for three Interdoms on the trot, has been in amazing form and looks to have even gone up a cog this term, if that's possible. Although beaten in the Ballarat Cup by **SAFARI (12)**, who sat outside him, it was still a brave run, then he came from a 30 metre back mark to out-stay a gallant **SMOKEN UP NZ (3)** in the Hunter Cup, again beat that fellow in the lead up FFA at Geelong a fortnight ago, then showed blistering gate speed from this alley in his effortless all the way victory here last week. If he can blast the lead again they probably won't beat him, but with speedy beginners **DIVISIVE (1)** and **SMOKEN UP NZ (3)** drawn inside him, nothing's too certain. Away from the favourite pair, **REPORT FOR DUTY NZ (8)** has been the find of the series. He looked to be just a sit/sprint horse in his Ballarat Cup and Hunter Cup efforts, but has raced wide and uncovered in the last lap in his two Interdom races for a Geelong heat win and gallant Semi-final third last week here to **BLACKS A FAKE (6)**. From this trailing draw, he may settle three back the pegs and with **SAFARI (12)** putting the pressure on mid-race, is sure to be a fresh horse against some tired ones in the closing stages. **SMOKEN UP NZ (3)** has had a quick rise to prominence this season and has certainly adapted well at this level. He led when narrowly beaten by **ROBIN HOOD (11)** in the Victoria Cup in December, then an was all the way winner in the SA Cup in January before being beaten after leading by **DIVISIVE (1)** at Ballarat. He then ran a gallant second in the Hunter Cup to **BLACKS A FAKE (6)** when leading in record time, did a stack of work when narrowly beaten by that fellow in the Geelong FFA, then from his wide draw last week worked hard in the breeze and fought on powerfully to be beaten a length into fourth place by **BLACKS A FAKE (6)**. His winning chance depends on holding out **BLACKS A FAKE (6)** in the run to the first turn, and perhaps finding the lead. **SAFARI (12)** has his work cut out from this horror draw. His three mobile efforts this season have been a world record 1:55.7 all the way victory in the Bendigo Cup, a Ballarat Cup success when sitting outside and out-staying **BLACKS A FAKE (6)**, and an amazing all the way victory here last week where he ran a brilliant 1:56.3 and held off a late challenge from **PENNY VEEJAY (9)**. This fellow only knows one thing and that's to go "full bore", so he'll be off and around them in the early stages and will certainly ensure a hot pace, but would have to put up a Herculean effort if he's to outstay them. **PENNY VEEJAY (9)** had the drop on **SAFARI (12)** last week and did a good job to get within a neck of him and could be one of the beneficiaries of the hot speed up front. New kids on the block **DIAMONDS N FURS NZ (5)** and **KARLSRUHE (7)** have been outstanding in this series and have claims, but will need luck from their awkward draws. The others, with the exception of perhaps **ROBIN HOOD (11)**, the Victoria Cup winner, look outclassed.

**SELECTIONS:** **DIVISIVE (1)**, **BLACKS A FAKE (6)**, **REPORT FOR DUTY NZ (8)**, **SMOKEN UP NZ (3)**

**RATINGS:** 1 / 6 / 3, 8 / 12 / 9 / 5 / 7.

**SUGGESTED BET:** **DIVISIVE (1)** to win and **REPORT FOR DUTY NZ (8)** each way.

**'THE ADVERTISERS' LINCOLN MOORE SAYS** BAKERANDTHEFATMAN (8) has been mixing his form and he faced the breeze here last week and stuck on well behind Rhythmatism. He was a winner here in December and gets his chance to break through. SPORTY SPICE (5) is drawn wide but has been in great form this season winning four races and she looks well suited here back in class despite drawing wide and was placed behind Rhythmatism last week. GUNBARREL STRAIGHT (7) is a sit sprinter bursting to win a race and he made some ground in a leader dominated race last week. He'll need luck but is capable if there is a genuine tempo. MIND YOUR MANNER (1) is a Sunraysia trained pacer and he was placed at Nyah four starts back. He hasn't raced since November and look for a forward showing from the good alley. SHEEZALITTLEBEAUTY (3) is racing well and she was a winner here two starts back before a handy run behind Matts Pride last week.

**SELECTIONS:** BAKERANDTHEFATMAN (8), SPORTY SPICE (5), GUNBARREL STRAIGHT (7), MIND YOUR MANNER (1)

**SEYMOUR BLUE JEAN (6)** took on the open class mares when she sat three wide for the trip and finished third behind Fleur De Lil in the Sweetheart Pace last week. This is a massive drop in class and she is very durable so is clearly the horse to beat. **MURILLO BROMAC (1)** pushed forward to race without cover and boxed on well for second last outing. He is perfectly drawn and has a consistent record so is one of the leading chances. **OUR SHOAB (8)** follows out the fast beginner **MURILLO BROMAC (1)** and has won at his past two starts at the Gold Coast so is worth consideration. **ARNIES A FAKE (7)** seems to perform best over the sprint distance but held on to score at the Gold Coast last week and has been placed in 12 of his 16 starts. He has a tough draw but should run his usual honest race. **DA SVIDANIYA (4)** should be fitter for his two runs back from a break and is a value hope in the event.

**SELECTIONS:** SEYMOUR BLUE JEAN (6), MURILLO BROMAC (1), OUR SHOAB (8), ARNIES A FAKE (7),

Gammalte Cup winner, which trailed the leader and used the sprint  
 lane when he had his chance to beat Be Good Johnny last week. He is  
 poorly drawn but has a good turn of speed and is worth a place ticket.

**HUTCHY SAYS:** This looks a match between dual Miracle Mile winner **BE GOOD JOHNNY (8)**, who effortlessly led all the way here last week, and **LARADO NZ (1)**, who sat in the breeze to win his heat of this race last week. **LARADO NZ (1)** is the likely leader and extremely well graded at this level but will probably have **BE GOOD JOHNNY (8)** sitting right behind him and may not have the sprinting capability to hold him off. **BOLD CRUISER NZ (2)** has been a surprise packet at this level and he ran a big race when third to **BE GOOD JOHNNY (8)** here last week after making two moves. He looks third pick just in front of **ROAD TO RAINBOW (6)**, the Charlton Cup winner three starts back who hasn't had much luck in his Interdom heat fifth at Geelong and his fifth here last week to **BE GOOD JOHNNY (8)**. **DECORATED JASPER (7)** and **JAGGED KNIGHT (12)** are both racing into some good form but don't draw the best.

**SELECTIONS:** BE GOOD JOHNNY (8), LARADO NZ (1), BOLD CRUISER NZ (2), ROAD TO RAINBOW (6)  
**RATINGS:** 8 / 1 / 2 / 6 / 7 / 12.

**'THE ADVERTISERS' LINCOLN MOORE SAYS** BAY HANOVER (6) was a Nyah winner in June last year and his two runs for the Tidswell stable have been good. He was placed behind Mahals Express two starts back before breaking at Gawler last time and should make his presence felt in this class despite drawing wide. COUNTERFEIT CHIC (1) was a Terang winner last October and she was placed here on Monday behind Love The Sound. She's drawn nicely and should run a cheeky race. CASEYS PASS (3) was a Gawler winner three starts back and was placed behind Cullens Hope here last time which is very good form for this class. She's drawn well and should give this a big shake. SAFE RIDGE (8) disappointed here on Monday when down the track behind Boyzy after leading and he could improve from the trailing draw.

**HANKY PANKY (2)** tried to lead throughout when second at Albion Park when on debut then raced fiercely in the lead but still won impressively mid-week. She is a speedy filly and is a good chance of leading all of the way again. **SPANKY (4)** is an American bred filly, which won a recent Albion Park trial by 26m and is making her debut for trainer John McCarthy so must be considered as a winning chance. **ULTIMATE POWER (5)** did a lot wrong when he was on debut then finished a close second when taking on the older horses last outing so looms as one of the leading chances. **JUST MACCA (10)** stormed home late for an eye-catching fourth when on debut then got too far back in the field behind **HANKY PANKY (2)** mid-week. She has ability and is a minor place hope in the event. **PERFECT PROMISE (3)** is out of a top race mare in Purr Fect Shun and finished fifth in a recent Gold Coast trial effort. **HOWTOTREATALADY (6)** and **ATOMS EXIT (7)** have both gone well enough at the trials to be minor place hopes in the event.

**SELECTIONS:** HANKY PANKY (2), SPANKY (4), ULTIMATE POWER (5), JUST MACCA (10)

**SUGGESTED BET:** HANKY PANKY (2) to win

**EXOTIC BET:** Flexi Trifecta 2,4,5 / 2,4,5/ field (Cost \$20, which gives 41.66%)

Outstanding mare, which broke stride at the start and lost all chance last week. She has won 12 of her 23 starts and even though she is facing the open class for only the second time, is worth an investment.

**HUTCHY SAYS:** RIVER RED (3) led all the way to impressively beat Whatsundermykit under FFA conditions here in January, then returned from a break for a luckless unplaced second line effort behind One Over Kenny in the Geelong FFA a fortnight ago. He galloped out from gate one in his semi final of the Inter last week and was never competitive, but from this draw should be able to use his early speed to find the lead - he looks better than them. SUNDONS TIAVON (11), who's won 12 of 23, scored twice from back marks in her lead up to the Interdom but is another who disappointingly made a mistake at the start last week. She's tough and her form is on the rise while many of her rivals have been disappointing of late. JAZZ LEGEND NZ (10) also galloped early last week but prior to that looked good in a placing here and fourth to Crescent Glory at Terang. As Gavin's preferred drive over SUNDONS TIAVON (11), he must be rated highly. Chances also to stablemates RIGHT INTEREST (2) and JAURIOL (9), along with SUNANA ASSET NZ (4), MAYBE HALL (5), BONITO (7) and RUNNING PINEVALE (8).

**SELECTIONS:** RIVER RED (3), SUNDONS TIAVON (11), JAZZ LEGEND NZ (10), MAYBE HALL (5)  
**RATINGS:** 3 / 11 / 10 / 1, 4, 5, 7, 8, 9.  
**SUGGESTED BET:** RIVER RED (3) to win.

**'THE ADVERTISERS' LINCOLN MOORE SAYS** ULOS (1) is another of the Michael Hughes team from Victoria and he was a Warragul winner four starts back. He was placed there last week when 3rd behind Garstang and he'll take a power of beating from the good barrier draw. EYRES DREAM (2) was back to winning form from this alley last week and her recent form has been very good. She's drawn well and is sure to run another big race. DIAMOND SAFE (5) was placed here three starts back and she wasn't far away last week from a bad barrier. She's drawn wide but should run a forward race. OUR LUCKY KNIGHT (8) is back in class on recent outings and he was 2nd behind Johnny Doika at Gawler three starts back and has claims here. JUST TRUMPS (4) wasn't far away behind Floral Edge at Gawler last week and he must be considered.

**SELECTIONS:** ULOS (1), EYRES DREAM (2), DIAMOND SAFE (5), OUR LUCKY KNIGHT (8)
