

HRA - Industry Notice - Sire Summary due 31st March 2024

HRA reminds Stud Masters that Sire Summary notifications for the 2023 / 2024 breeding season are due to your relevant state by 31st March 2024.

Record of services can be notified via [Harnessweb](#), 24 hours a day, 7 days a week until Friday 31 March 2024.

Reminders:

- Stallion services / sire summaries are due by 31 March 2024.
- All services regardless of the outcome must be recorded. These include no test, negative, unknown, and positive tests.
- In a breeding season, the total number of mares bred shall not exceed 150 including free returns.
- Embryo transfer requires additional steps and pre-approval via your State Controlling Body.
- If you are blocked from loading a service on a fully retired (from racing and breeding) mare the connections will need to submit a status update request to their state body before the service can be added.

Please make yourself familiar with the current breeding rules and regulations at these links.
